About Séché Environnement

Séché Environnement is one of France's leading players in the recovery and treatment of all types of waste, from both industry and local communities.

Séché Environnement is the leading independent operator in France. It is uniquely positioned as a specialist in highly complex waste, operating within regulated waste recovery and treatment markets with high barriers to entry.

Its facilities and expertise enable it to provide high value-added solutions to its industrial and public authority clients, targeting the challenges of the circular economy and sustainable development requirements, such as:

- the material and energy recovery of hazardous and non-hazardous waste;
- a comprehensive range of treatment solutions for solid, liquid and gaseous waste (thermal, physical-chemical and radiation treatment, etc.);
- the storage of final hazardous and non-hazardous waste;
- eco-services such as decontamination, decommissioning, asbestos removal and rehabilitation.

Leveraging its extensive expertise, Séché Environnement has successfully developed its environmental services business lines in waste management outsourcing markets for its clientele of large communities and major industrial companies both in France and abroad.

Séché Environnement has been listed on Eurolist by Euronext (Compartment B) since November 27, 1997.

It is eligible for equity savings funds dedicated to investing in SMEs and is listed in the CAC Mid&Small and Euronext PEA-PME 150 indexes.
