## December 14, 2021 Investor Day postponed

**Séché Environnement announces the postponement of its « Investor Day» scheduled for December 14, 2021. The Group also confirms its objectives for the current year.**

The changes related to the restructuring of the French or international waste markets that will be announced in the coming weeks lead Séché Environnement to postpone the communication scheduled for its “Investor Day” on 14 December 2021 until first half of 2022.

Furthermore, Séché Environnement reaffirms its confidence in the achievement of its commercial, operational and financial objectives for fiscal year 2021.

### About Séché Environnement

Séché Environnement is the leader in the treatment and recovery of all types of waste, including the most complex and hazardous waste, and decontamination, protecting the environment and health. With 4,600 employees, of which 2,000 in France, Séché Environnement has revenue of about €700 million, of which 23% is earned internationally, driven by internal and external growth momentum via its many acquisitions. Séché Environnement is a family-owned French industrial group that has supported industrial and regional ecology for over 35 years with innovative technology developed by its R&D team. It delivers its unique expertise on the ground in local regions, with more than 100 sites around the world, including around 40 industrial sites in France. Thanks to its expertise in creating circular economy loops, the treatment of pollutants and greenhouse gases, and hazard containment, the Group directly contributes to the protection of the living world and biodiversity – an area it has actively supported since its creation.

Séché Environnement has been listed on Eurolist by Euronext (Compartment B) since November 27, 1997. It is eligible for equity savings funds dedicated to investing in SMEs and is included in the CAC Mid&Small, EnterNext Tech 40 and EnterNext PEA-PME 150 indexes.
